

Experience a Buffet of Custom
Designed Restaurant Solutions

Sonoco® Rigid Plastic Cookware

With customers who expect top quality food at lightning speed, your smallwares need to streamline service to help keep pace with demand. Our industry-leading, foodservice essentials ensures exact proportions, consistent flavor and unmatched convenience even at the busiest of times!

Our propriety rigid plastic container and dispensary technology is custom designed to accommodate large commercial kitchens and foodservice chains. They can withstand high heat, spills, bangs and bumps, and you can clean them with minimal disassembly required.

Confidently prepare and season your meals to consistent perfection each time with a simple, trigger-release mechanism from AccuTaste™ or a self-recharging dispenser like AccuSalt™.

Our menu of custom designed, foodservice solutions include:

- ▶ **AccuSalt™ Salt Dispenser**
- ▶ **AccuTaste™ Seasoning Dispenser**
- ▶ **High Heat Holding Trays**
- ▶ **Liquid portioning device**
- ▶ **Bag Opener/Closing Clip**
- ▶ **SonoWare™**
- ▶ **And more...**
